

An Unapologetic Patriot Takes On The Insanity Of Today's Woke World

In this powerful and provocative book, a lifelong patriot exposes the dangers of the woke ideology that is sweeping our nation. Drawing on his own experiences and extensive research, he reveals how wokeness is undermining our values, dividing our society, and eroding our freedoms.

The author begins by defining wokeness as "a new form of political correctness that is based on the belief that white people are inherently racist and that all non-white people are victims of systemic oppression." He then goes on to show how this ideology has infiltrated every aspect of our society, from the classroom to the workplace to the media.

AM I CRAZY?: An Unapologetic Patriot Takes on the Insanity of Today's Woke World by Chad Prather

The author argues that wokeness is a dangerous ideology that is based on a false premise. He points out that the vast majority of white people are not

racist and that non-white people are not all victims. He also argues that wokeness is divisive, as it pits different groups of people against each other.

The author concludes by calling for a return to common sense and patriotism. He argues that we need to reject the woke ideology and embrace the values that have made America great. These values include free speech, liberty, and equality for all.

Praise for An Unapologetic Patriot Takes On The Insanity Of Today's Woke World

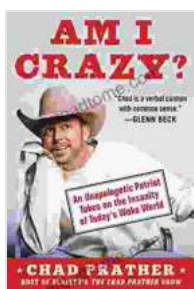

"A powerful and provocative book that exposes the dangers of the woke ideology. This book is a must-read for anyone who cares about the future of our country." - Sean Hannity

"A timely and important book that challenges the woke orthodoxy that is threatening our freedoms. This book is a call to action for all Americans who believe in the values that have made our country great." - Rush Limbaugh

"A brave and honest book that dares to speak the truth about the woke ideology. This book is a must-read for anyone who wants to understand the challenges facing our country today." - Mark Levin
