Deepen Your Understanding with Inspiring Presentations

The workshop will feature a comprehensive program of invited talks and paper presentations on cutting-edge research. Explore topics ranging from:

- Cyber-physical systems and Industry 4.0
- Big data analytics and artificial intelligence in manufacturing
- Sustainability and energy efficiency in industrial processes
- Human-machine interaction and ergonomics
- Advanced materials and smart manufacturing

Engage in Thought-Provoking Discussions

Beyond paper presentations, ISIP 2024 offers a platform for lively panel discussions and interactive workshops. Participate in thought-provoking debates and exchange ideas with fellow attendees to gain diverse perspectives and foster new collaborations.

Immerse Yourself in the Historical and Cultural Treasures of Heraklion

Heraklion, the vibrant capital of Crete, provides an idyllic backdrop for the workshop. Take advantage of the opportunity to explore its rich history and cultural heritage during your stay. Visit the iconic Palace of Knossos, marvel at the archaeological treasures of the Heraklion Archaeological Museum, and stroll through the picturesque Venetian port, brimming with restaurants and shops.

Capture Your Research in a Prestigious Publication

Selected papers presented at ISIP 2024 will be published in a special issue of the highly respected journal "IFAC-PapersOnLine." This provides an exceptional opportunity to disseminate your research findings to a wider scientific audience.

Don't Miss This Unique Scientific Gathering

ISIP 2024 promises to be an unforgettable experience that will advance your knowledge, foster collaborations, and inspire your scientific endeavors. We eagerly invite you to join us in Heraklion, Greece, for this unmissable event.
