In the wake of Donald Trump's election as the 45th President of the United States, many parents are wondering how to talk to their children about the new president. Michelle Ivey's book, *Mommy Who Is Donald Trump*, provides a helpful and age-appropriate way to start the conversation.

What's the Book About?

Mommy Who Is Donald Trump is a children's book that tells the story of a young girl named Lily who asks her mother about Donald Trump. Lily's mother explains that Donald Trump is the President of the United States, and she goes on to talk about his job and his family. The book also includes a glossary of terms that children may not be familiar with, such as "president," "election," and "inauguration."

The book is written in a simple and straightforward style, and it is illustrated with bright and colorful pictures. It is appropriate for children ages 4 and up.

Why Is This Book Important?

Mommy Who Is Donald Trump is an important book because it provides children with a way to learn about the President of the United States in a way that they can understand. The book also helps to normalize the idea of a female president, which is an important step towards achieving gender equality.

In addition, the book provides an opportunity for parents to talk to their children about the importance of voting and civic engagement.

What Parents Are Saying

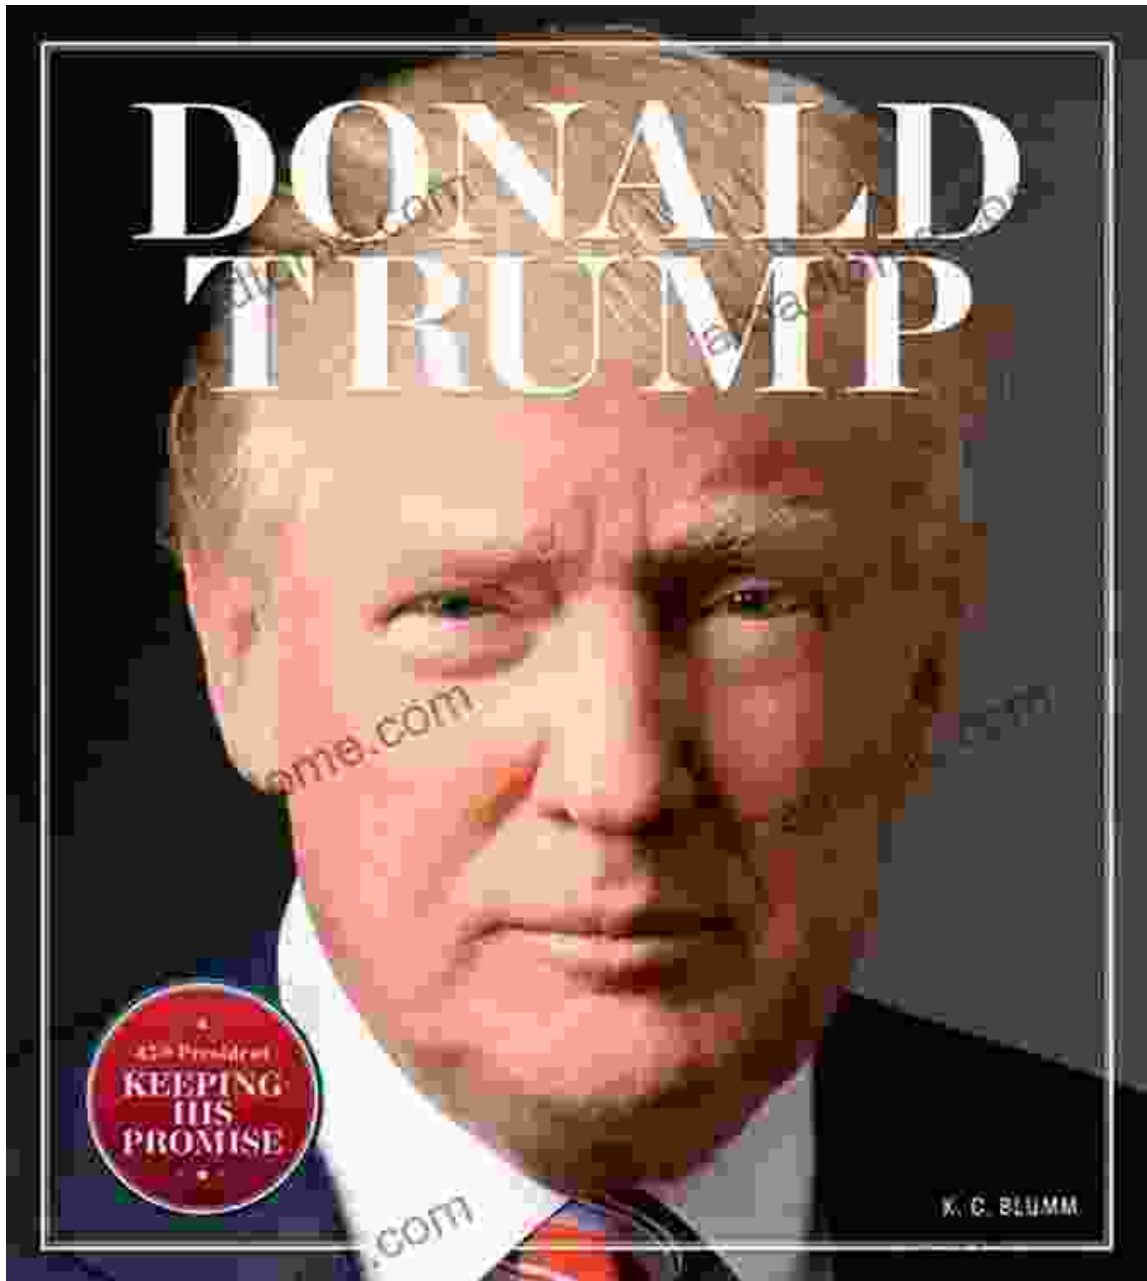

Parents who have read Mommy Who Is Donald Trump have praised the book for its age-appropriateness, its clarity, and its positive message.

"This book is a great way to start the conversation about Donald Trump with your children," said one parent. "It's simple and straightforward, and it helps children to understand what the President does and why he's important."

Another parent said, "I love that this book normalizes the idea of a female president. It's so important for our children to see that women can be leaders too."

Where Can I Buy the Book?

Mommy Who Is Donald Trump is available for Free Download on Our Book Library, Barnes & Noble, and other major booksellers.
