Despite the horrors that she has endured, Sarah never gives up hope. She knows that she must find a way to escape. She befriends another captive, a young woman named Emily. Together, they plan their escape. After months of planning, Sarah and Emily finally manage to escape from their prison. They are both physically and emotionally scarred, but they are determined to rebuild their lives.

Sarah's escape is just the beginning of her journey. She must now confront the trauma of her experience. She must learn to live with the memories of what she has been through.
