From the man who tried to jump over a rattlesnake and was bitten in the groin, to the woman who drowned while trying to save her pet hamster, the Darwin Awards are full of stories that will make you laugh, cringe, and shake your head in disbelief.

But behind the laughter, the Darwin Awards also offer a valuable lesson about evolution. By removing themselves from the gene pool, these individuals have helped to ensure that the human race is a little bit stronger and smarter than it would have been otherwise.

So if you're looking for a good laugh, or if you're just curious about the strange and wonderful ways people can die, then pick up a copy of the Darwin Awards today.

**Here are just a few of the many hilarious and gruesome stories you'll find in this book:**

- The man who tried to use a clothes hanger to unclog his toilet, but accidentally punctured his colon.
- The woman who died while trying to save her pet hamster from a house fire, but was overcome by smoke inhalation.
- The man who tried to rob a bank with a toy gun, but was shot and killed by a security guard.
- The man who tried to impress his friends by jumping off a bridge into a river, but misjudged the distance and hit his head on the rocks.
- The woman who tried to commit suicide by drinking bleach, but only succeeded in giving herself a sore throat.

These are just a few of the many Darwin Award winners featured in this book. So if you're looking for a good laugh, or if you're just curious about the strange and wonderful ways people can die, then pick up a copy of the Darwin Awards today.
