A Warning from History

By Dr. Taylor Marshall

In his new book, *Why America Will Perish Without Rome*, Dr. Taylor Marshall argues that the United States is on a path to decline and eventual collapse unless it rediscovers its Christian roots.

Marshall draws on history, philosophy, and theology to show how the Roman Empire's decline was caused by a similar loss of faith and virtue. He warns that America is following the same path, and that unless we course correct, we will meet the same fate.

Marshall's book is a timely warning for America. At a time when our nation is facing a host of challenges, from political division to moral decay, it is

more important than ever to remember the lessons of history.

Why America Will Perish Without Rome is a must-read for anyone who cares about the future of our country.

Table of Contents

- Chapter 1: The Rise and Fall of Rome
- Chapter 2: America's Christian Roots
- Chapter 3: The Decline of Faith and Virtue in America
- Chapter 4: The Consequences of America's Decline
- Chapter 5: A Path to Renewal

Chapter 1: The Rise and Fall of Rome

In the first chapter of his book, Marshall provides a brief overview of the rise and fall of the Roman Empire. He shows how the Roman Empire was founded on a strong foundation of faith and virtue, and how it gradually declined as it lost its faith and virtue.

Marshall argues that the Roman Empire's decline was not inevitable. He believes that if the Romans had rediscovered their Christian roots, they could have avoided collapse.

Chapter 2: America's Christian Roots

In the second chapter of his book, Marshall discusses America's Christian roots. He shows how the United States was founded by Christians who were fleeing religious persecution in Europe.

Marshall argues that America's Christian roots are the source of our nation's strength and prosperity. He believes that if we lose our Christian roots, we will lose our nation.

Chapter 3: The Decline of Faith and Virtue in America

In the third chapter of his book, Marshall discusses the decline of faith and virtue in America. He shows how our nation has become increasingly secular and materialistic.

Marshall argues that the decline of faith and virtue in America is a serious threat to our nation's future. He believes that if we do not reverse this decline, we will face the same fate as the Roman Empire.

Chapter 4: The Consequences of America's Decline

In the fourth chapter of his book, Marshall discusses the consequences of America's decline. He shows how our nation is facing a host of challenges, from political division to moral decay.

Marshall argues that these challenges are a direct result of our loss of faith and virtue. He believes that if we do not address these challenges, we will face the same fate as the Roman Empire.

Chapter 5: A Path to Renewal

In the fifth and final chapter of his book, Marshall offers a path to renewal for America. He believes that we can rediscover our Christian roots and restore our nation to its former glory.

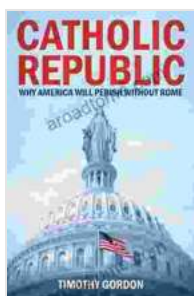

Marshall's path to renewal includes a call to repentance, prayer, and fasting. He also calls for a return to traditional values and a renewed

emphasis on education.

Marshall's book is a timely warning for America. At a time when our nation is facing a host of challenges, it is more important than ever to remember the lessons of history. *Why America Will Perish Without Rome* is a must-read for anyone who cares about the future of our country.

About the Author

Dr. Taylor Marshall is a Catholic historian and theologian. He is the author of several books, including *The Catholic Perspective on the News* and *The Eternal City: Rome and the Origins of the Catholic Faith*.
