In the months that followed David's death, Sarah withdrew from the world. She stopped going to work, she stopped seeing her friends, and she barely left her apartment. She was consumed by grief and despair.

One day, Sarah's sister, Emily, came to visit her. Emily was worried about Sarah, and she wanted to help her get through this difficult time. Emily took Sarah to a support group for grieving spouses, and it was there that Sarah began to heal.

Through the support group, Sarah met other people who had lost their loved ones. She realized that she was not alone in her grief, and that there were other people who understood what she was going through.

Sarah also started seeing a therapist, who helped her to process her grief and to develop coping mechanisms. The therapist encouraged Sarah to start writing in a journal, and it was through writing that Sarah began to find her voice.

In her journal, Sarah wrote about her memories of David, her feelings of grief and loss, and her hopes for the future. Writing helped Sarah to make sense of her experiences, and it gave her a way to express her emotions.

As Sarah continued to heal, she began to open up to the possibility of love again. She started dating, and she eventually met a man named John. John was kind, compassionate, and understanding. He loved Sarah for who she was, and he helped her to see that she was worthy of love again.

Sarah and John fell in love, and they eventually got married. Sarah was finally able to move on from the death of her first husband, and she found happiness again with John.

You Don't Have to Say You Love Me is a powerful and moving novel about love, loss, and redemption. It is a story that will stay with you long after you finish reading it. This novel is a must-read for anyone who has ever experienced loss or heartbreak.
